GENERAL TERMS AND CONDITIONS FOR TRADE SHOWS/EXHIBITIONS ORGANISED BY TERINVEST

I. Organizer

TERINVEST, spol. s r.o., Americka 459/27, 120 00 Praha 2 (herein 'TERINVEST')

II. Exhibitor

Any person or legal entity participation of whom/which on a trade show/exhibition has been confirmed by TERINVEST by validating a binding application form.

III. Application and assignment of space

III.1. The application form filled out properly and submitted to TERINVEST, to which a booking form for the exhibit space is affixed, is deemed to be a binding and irrevocable order by the Exhibitor. TERINVEST shall decide on any accepting, rejecting or reducing the order of the exhibit space at its sole discretion without any obligation of reasoning any such decision. No application shall be accepted if Participant's line of business does not comply with the nomenclature of the trade show/exhibition. The contractual relationship, i.e. the Contract, shall be established upon confirmation of the application form, to which a binding booking form for the exhibit space is affixed, unless the order for the exhibit space is reduced by TERINVEST; if this is the case, this reduction shall establish a new proposal of the Contract, which shall be entered into based on accepting such TERINVEST's proposal by the Exhibitor. A letter of acceptance shall be sent by TERINVEST and accompanied by an invoice for a down payment of the rental fee including breakdown of relevant VAT.

III.2. Once the down payment of the rental fee in the amount specified by TERINVEST and the full registration fee has been covered by the Participant, a Letter of Location shall be sent to the Exhibitor by TERINVEST through which the space booked and stand number is assigned to the Exhibitor. At the same time, an invoice for a down payment of the remainder of the rental fee including relevant VAT is raised by TERINVEST. A full payment of the rental and registration fee including any relevant VAT is a pre-condition for handing over the exhibit space within a specified date. An invoice for additional services supplied in the course of the trade show shall be raised by TERINVEST within 14 days upon the closing date of the trade show/exhibition.

III.3. The location allocated to the Exhibitor may be changed at the discretion of TERINVEST without any Exhibitor's consent, of which, however, the Exhibitor shall be notified without any delay. In such case, the Exhibitor will not be entitled to any compensation for damage suffered based on the alteration of the stand location.

III.4. The space allocated may not be rented by the Exhibitor to any other third party, with a joint participation of several enterprises on a single exhibit being the only exception. In such case, the Exhibitor shall be obliged to cover a co-exhibitor's registration fee for every additional enterprise. In case of breach of the provision above, the Exhibitor will be obliged to cover a double co-exhibitor's registration fee in the course of the event. III 5 If the Exhibitor fails to pay the amounts above, i.e. the full rental fee, as well as any down payment due within the periods specified on the invoices, any such Exhibitor's delay shall be deemed a substantial breach of contractual obligations, and TERINVEST shall be entitled to withdraw from the Contract and refuse the Exhibitor to enter the premises. In such case, TERINVEST shall be entitled to require that a contractual penalty be paid in the total amount of the down payments already raised.

IV. Exhibit space rental fee and registration fee

IV.1. Any rental fee for sheltered as well as open space shall be specified in the booking form for the space and trade show/exhibition stand construction. The rental fee shall be specified based on the size of the space, where each incomplete square metre shall be charged as complete. The rental fee shall be specified for the period of preparation work, the event as such and clearing of the stand, and shall include: the exhibit space, primary lighting, heating, fire prevention, cleaning in the premises outside the area of stands, general night surveillance and guarding of the exhibition premises, operation of cloakrooms, toilets, production and publicity and exhibitor's third party liability insurance.

IV.2. Registration fee for exhibitor and co-exhibitor(s) is non-refundable. The registration fee contains following services: data processing for the catalogue of exhibitors and info-systems, 1 pc of catalogue of exhibitors (printed or CD), assembly and exhibitors passes, admission vouchers for business partners. The specific amount for the exhibitor and co-exhibitor fee is stated in the Order form for participation.

V. Terms of payment and sanctions

V.1. The Exhibitor undertakes to pay to TERINVEST for any and all provided services within the due date as specified in the invoice. If the amount invoiced is not paid by the Exhibitor within the due date as specified in the invoice at the latest, an interest at the rate of 0.1% from the amount that had not been paid within the due date is hereby set up by the Parties for each day of the delay. This arrangement above shall not affect any TERINVEST's right to withdraw from the Contract as stipulated by the section III 5.

V.2. If the Exhibitor's participation at a TERINVEST's trade show/exhibition is cancelled or the exhibit space obligatorily booked is reduced by the Exhibitor, any already covered amount of the rental fee or a proportionate part thereof shall be returned to the Exhibitor if a letter of cancellation in writing relating to the booked space or a part thereof is delivered to TERINVEST no later than five months prior launching the trade show/exhibition. Any registration fee already paid shall be fully forfeited.

V.3. Any earlier cancellation in writing of an exhibit space already booked or a part thereof by the Exhibitor than five months prior launching the trade show/exhibition shall be deemed a breach of Exhibitor's obligation of regular participation and in such case the Exhibitor shall be obliged to pay to TERINVEST a contractual penalty as follows:

a/ 50% of the rental fee for the exhibit space that had been obligatorily booked if the cancellation takes place sooner than five months prior launching the trade show/exhibition, and

All and any obligations established upon the contract on Exhibitor's participation already signed shall expire and the Exhibitor shall not be entitled to any claim for compensation of any damage incurred.

IX.2. If TERINVEST is unable, as a result of circumstances for which TERINVEST cannot be held responsible, to realize the trade show/exhibition in question or make sure such trade show/exhibition can take place at its regular venue, Brno - Exhibition Centre, it shall have the right of relocating any such exhibition/trade show onto another venue, i.e. exhibition premises in the territory of the Czech Republic that are relevant to the importance and extent of the exhibition/trade show, to be specified by TERINVEST.
